# Encampment is...

- ★ The purpose of encampment is to provide cadets with a foundation from which to build to careers
- ★ Specific goals include:
  - Develop leadership skills
  - Learn about aviation, space and technology
  - Commit to a habit of regular exercise
  - Live the core values of CAP
- ★ Encampment completion allows cadets to attend NCSAs and promote to the rank of C/2d Lt

# Encampment Timeline

## First Encampment

- Attend as a student
- Students will be assigned to a flight of 10-20 cadets that will work as a team to complete the encampment

## Second Encampment

- Attend as an advanced student
- Work to develop advanced leadership skills in addition to other special activities (color guard training, rocktroy, marksmanship)

## Second Encampment & Beyond

- Return to help staff the encampment in various cadre roles
- Cadets can staff as many encampments as they chose

# A Typical Day:
