

# Phase 2

## <50 Low-Risk Member Meetings

### Standard

- ▶ Low-risk members may resume unit day-long meetings, activities, and missions as long as <50 members, socially distancing, and the activity is one-day in length. All public health protection measure continue.
- ▶ Self identified high-risk Members will continue to telework
- ▶ Metric to transition to Phase 2 will be at least 14-days of successful Phase 1 metrics, which may take several weeks to months to achieve.
- ▶ **Aviation** - face coverings, aviation gloves, and aircraft disinfection between sorties. Includes small-group local crew training, flight evaluations/check rides, crew proficiency, dual instruction and CAP cadet orientation flights (assuming all members are low-risk and all flights are in low-risk areas).

### Strategy

- ▶ Continue public health protection measures such as: hygiene education, social distancing reminders, temperature checks, face coverings when social distancing is unable to be maintained, and common surface cleaning.
- ▶ Place seats 6-feet apart, double arm interval distancing, open air meetings, if possible.
- ▶ <sup>1</sup> Food preparation should be done individually - no family style or buffet meals, due to the possibility of utensil cross-contamination.

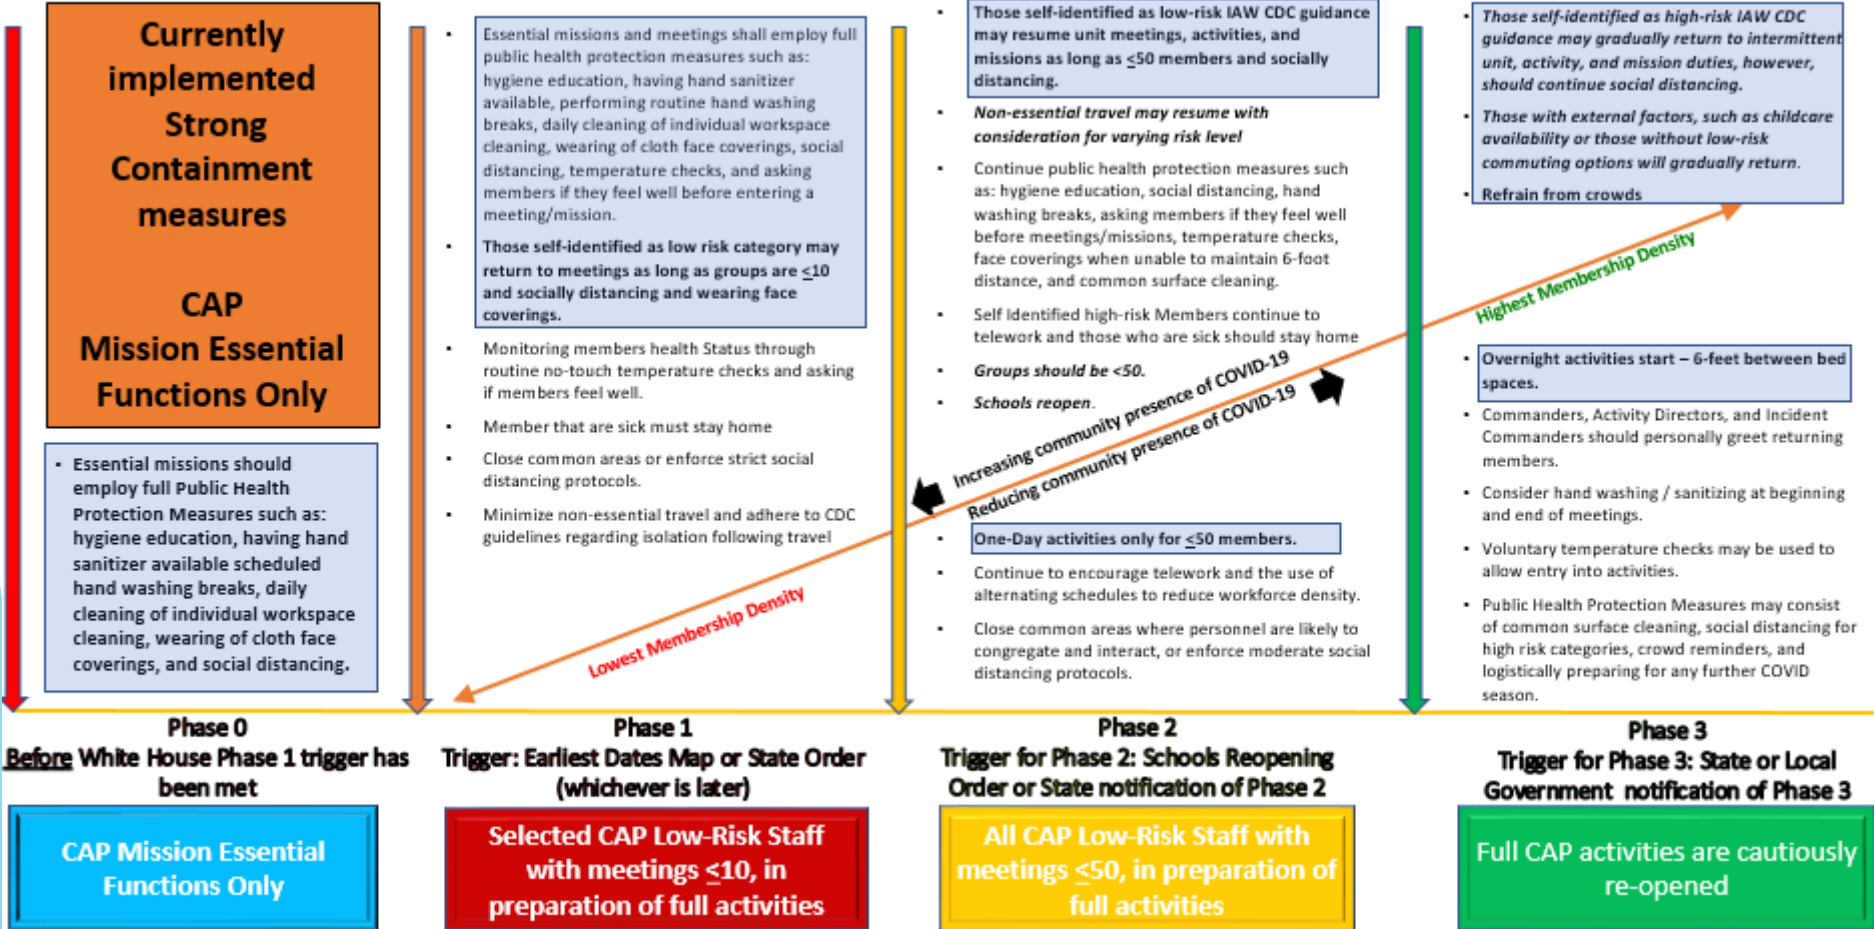

# NHQ REMOBILIZATION
